## To avoid duplicates

---

To avoid duplicates, please, submit your invoice just once.

- You have the possibility to choose one way only:
  - Through the Supplier Portal (to access: [Sign In \(oraclecloud.com\)](#)) (Strongly recommended as the fastest, safest way)
  - Through this email address : [EMEA-AP-Invoice@JCI.com](mailto:EMEA-AP-Invoice@JCI.com) (no-reply; not monitored), (*only invoices are accepted, please, do not send anything else – statements, reminders, etc.*)
  - If you have any question about outstanding invoice, contact our AP Helpdesk – [corp-bbc-ptp-be-helpdesk-ES@jci.com](mailto:corp-bbc-ptp-be-helpdesk-ES@jci.com)
  - Submitting your invoice repeatedly, will not speed up the processing time. In case your invoice gets rejected (missing/incorrect information) you will receive an automatic message from the system stating the problem, please, correct the invoice and submit again.

## Email address for the invoices

How to ensure my invoice will be processed seamlessly through [EMEA-AP-Invoice@jci.com](mailto:EMEA-AP-Invoice@jci.com) ?

- It is crucial to know that our invoicing system has been fully automated, thus, we kindly invite you to follow the below points to avoid invoice rejection or any delay with the processing of the invoices.
  1. *Submit either through the Supplier Portal or through invoice scanning email. Not both, at the same time.*
  2. *One invoice per PDF.*
  3. *Purchase Order number : full format (as written on the Purchase Order), separate by space before and after the Purchase Order number, whole number in one line.*
  4. *Correct JCI bill-to address and respective JCI VAT ID (must match with the details of the Purchase order ; top left).*
  5. *If possible, all above details, should appear on the first page of your invoice.*
  6. *Only the invoice/credit memo itself, no other type of documentation/statements. Your Terms and Conditions can be merged with the invoice/credit memo, so it appears as one document as such.*
  7. *Please, do not send any kind of request or query through this scanning email address as it is not monitored.*

# Payments

---

## How can I know when the payment is done?

Once JCI is doing the payment, an automatic notification is sent to you, on your remittance email, That notification is from : [yourpaymentdetails@jci.com](mailto:yourpaymentdetails@jci.com) (If you are part of the PrimeRevenue programme, you do not receive this notification. You are invited to log in in the PrimeRevenue platform)

Within this notification you have:

- When the payment has been sent (*thus the date*)
- The amount
- To which invoice(s) it is related

Alternatively, you can log in in the Supplier Portal and see the whole history of the payment made/status as well as the invoices status.
